Guest's comments

Hello,

I recently made a reservation at your hotel after receiving a recommendation from a friend who previously stayed there and had a wonderful experience.

If possible, I would greatly appreciate a room with a window and a more spacious room arrangement.

I am also a blogger and plan to introduce your hotel on my blog after my stay. I'm really looking forward to enjoying my 4-night stay at your hotel.

Thank you in advance, and I hope to have a pleasant experience with you.

Best regards,
